

## **To All Breedon Aggregates SPCU Division 1 Clubs**

Please find attached the Breedon Aggregates SPCU Division One fixtures for 2019. Games start on April 27th and continue to August 31st. The structure was adjusted from previous years as follows ;

To accommodate 12 Clubs in Div 1, two Conferences have been created. Each Conference has 6 teams, Conference A drawn from the top 6 in 2018 (minus promoted Clubs) and Conference B from the other 2018 Div 1 Clubs and those we welcome for 2019. Within each Conference, Clubs will play both Home and Away (therefore 10 games in all). These Conference games will be played in the first 5 weeks and last 5 weeks of the season.

In order to provide a range of fixtures, a mid season set of Cross Over games has been staged, whereby each Club plays one fixture against the teams in the opposite Conference. This second phase will be Home OR Away - 6 games per team (3 home, 3 away). These games will be played in the middle of the season.

All Clubs will therefore have 16 League fixtures - an equal number of Home and Away.

Two weeks have been left free in July and the Committee will provide you with details of a revamped Two Counties Cup with weekend fixture dates - the hope being that more Clubs will feel able to contest this Cup competition now freed from evening travel problems.

The fixture list was very hard to produce due to a large number of ground clashes and a small number of specific requirements from certain Clubs. Each Club will see that there are occasions when fixtures do not perfectly suit your expectations. This is unfortunate but is a direct result of the ground issues expressed above. No one Club has been singled out for preferential treatment - fixtures have been adjusted where possible to respect expressed wishes but no Club has got everything they asked for. There may be local circumstances whereby two Clubs can agree to adjust date or location of a fixture - can we ask Clubs in the first instance to contact EACH OTHER in an attempt to create an agreed adjustment which must then be approved by the Competitions Committee. The fixture list as published will not be adjusted against the wishes of any participating Club. If any further ground clashes come to light, the Committee will seek to find an alternative date - however all Clubs must be prepared to make compromises.
